Please Note:

§ Network & IT Services Center is in no way responsible for loss of any data.

§ Your mailbox is your liability and you are to maintain it.

§ If any e- mail originates from your account, you would be responsible for the content and in case of any unsolicited e-mail; a stern action would be taken against the user from whose account e-mail was sent.

§ If yours is an official e- mail address, please do designate a person who manages your account. That person only should know the password.

§ Your account may be blocked immediately if any misuse is reported.
