

## Flow Chart for Thesis Process for Ph.D Programme - I

Ph.D thesis will be defended in open house and first draft will be prepared and after signature from supervisory committee will be submitted to DAS through chairman/Director and Dean concerned.

DAS will check the format of thesis and after clearance will allow to submit 3 (Three) copies (Semi Final) and will ensure proper formatting according to the requirements

**For Ph.D. Student** Supervisor will ensure the incorporation of suggested correction from DAS and will generate similarity index report.

- Supervisor will sign and send both soft and hard copies of similarity index report to QEC
- Director QEC will generate the similarity index from soft copy of theses and will verify the similarity index report generated by supervisor if it falls within the limits of HEC and send it back to the supervisor accordingly

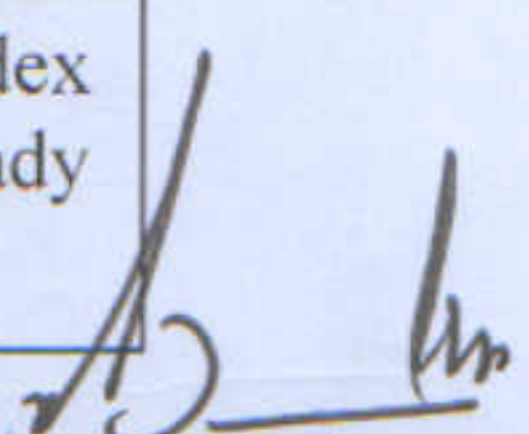

Supervisor will forward the semi-final thesis (three copies) to DAS through Chairman and Dean concerned after clearance from QEC alongwith Panel of Foreign Examiners

DAS will ensure the corrections as suggested in formatting and forward thesis to COE

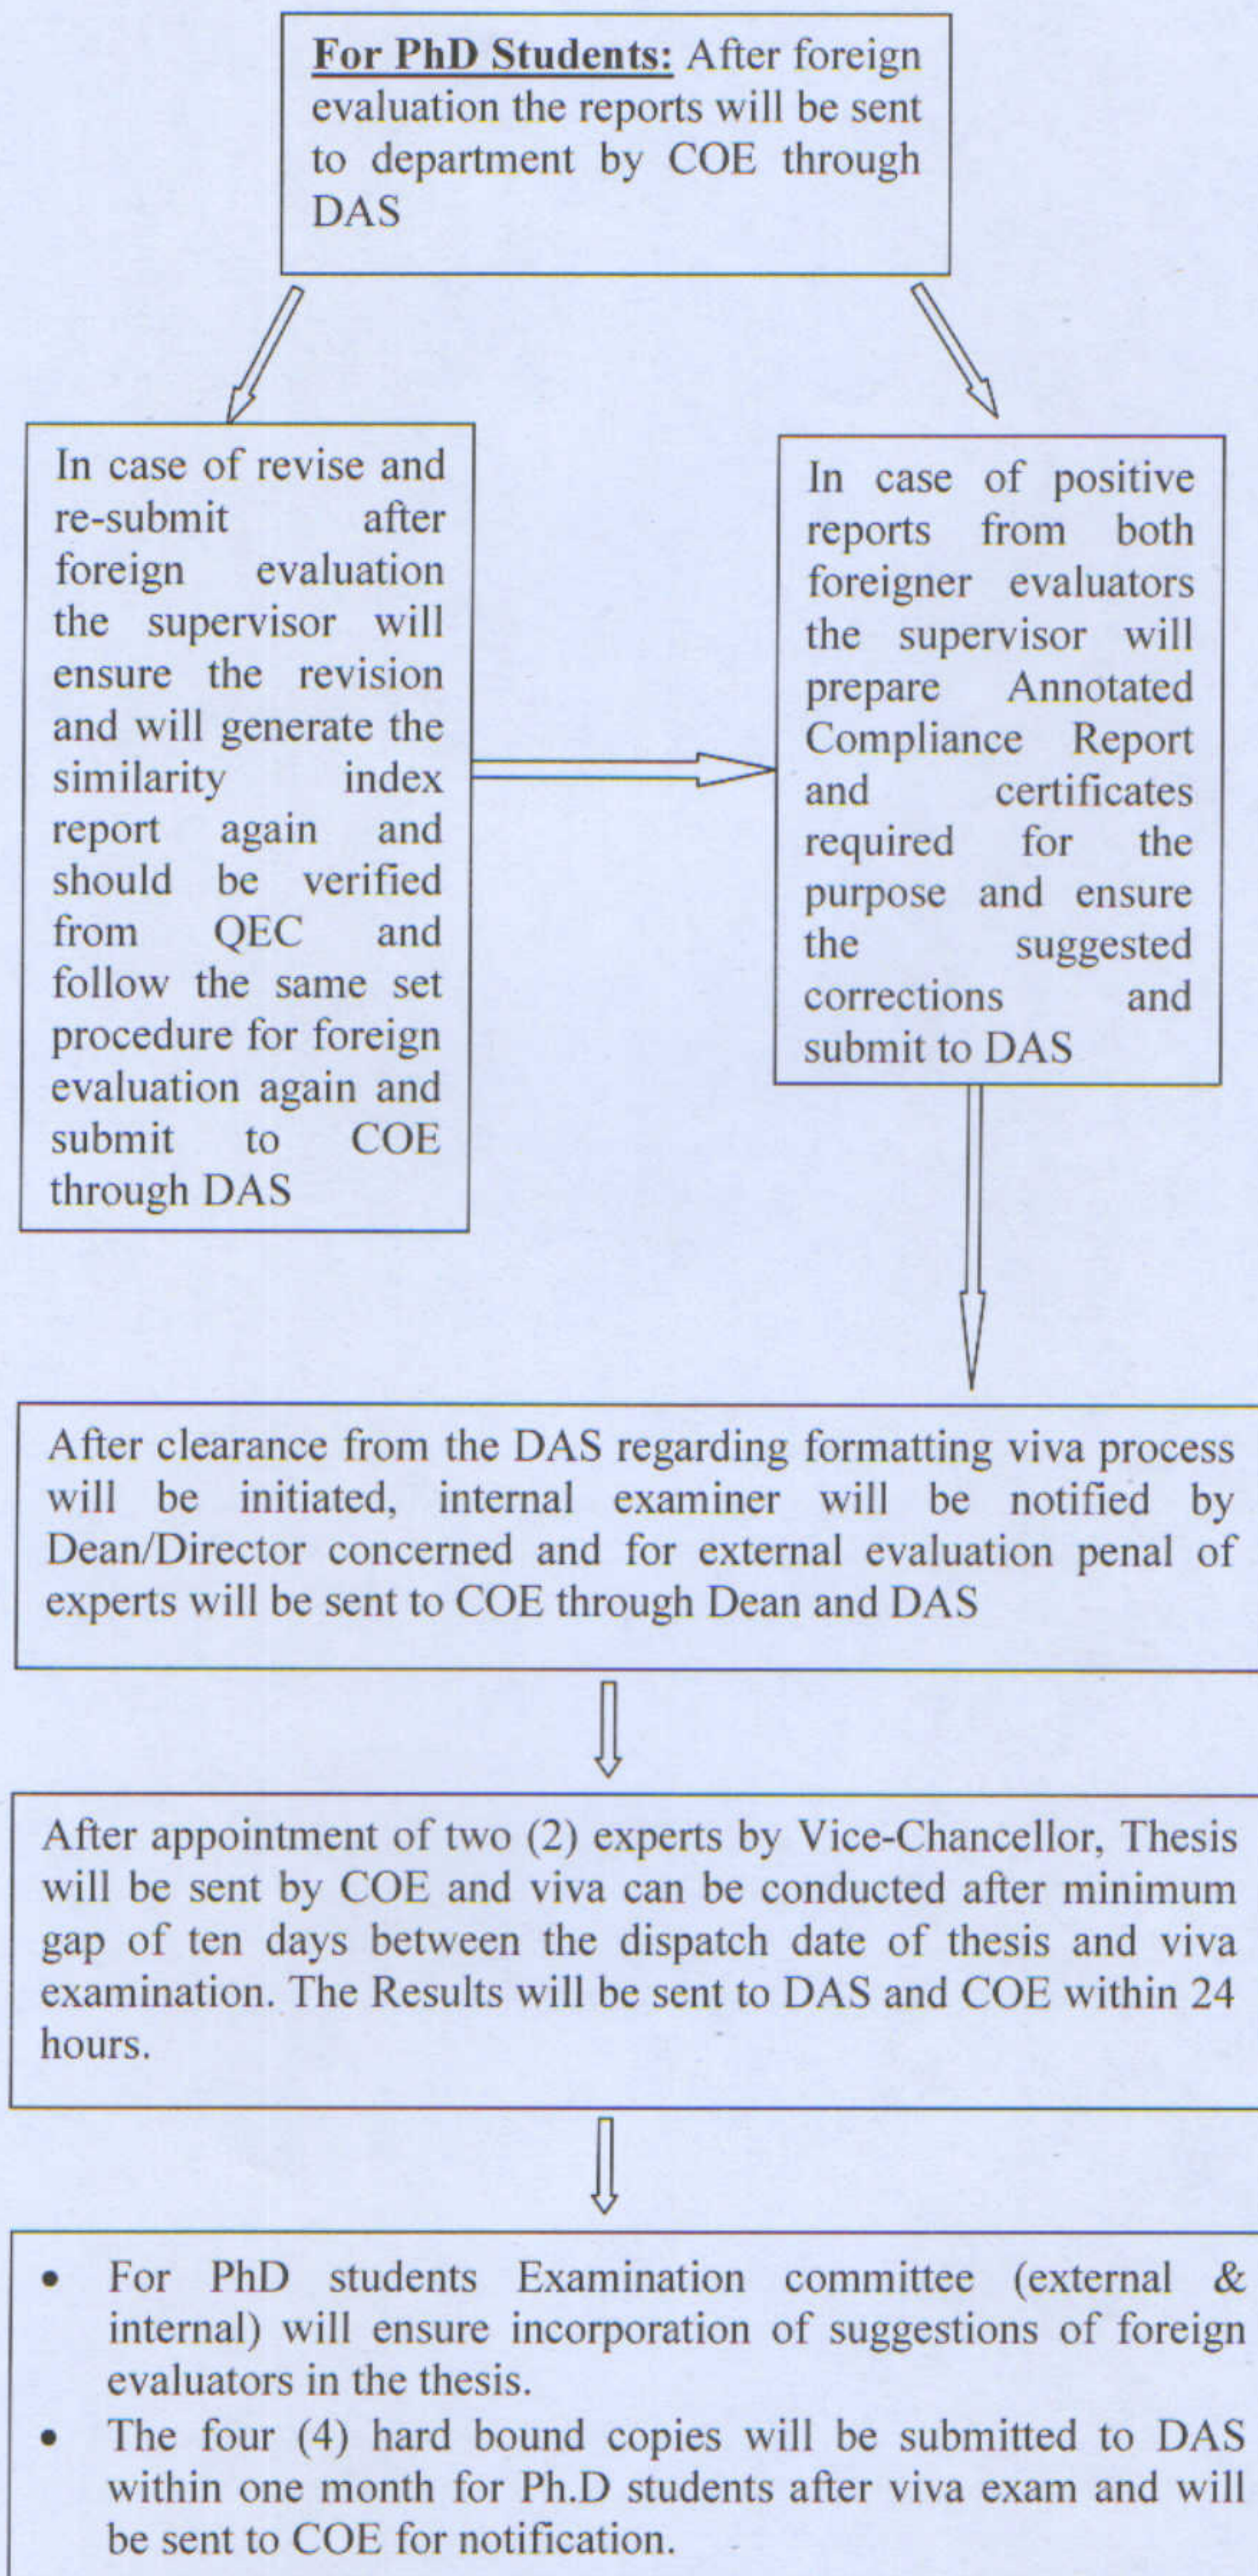

After receiving the thesis from DAS and verified report of similarity index from Supervisor /QEC, COE will process the thesis according to already set procedure for Foreign evaluation
