

Fellowship Programme

M.Sc. (Hons) / Undergraduate Students

Faculty of Agricultural Engineering
& Technology, PMAS-Arid Agriculture
University Rawalpindi

The Department of Energy Systems Engineering, Faculty of Agricultural Engineering & Technology, PMAS-Arid Agriculture University, Rawalpindi is launching M.Sc.(Hons)/Undergraduate Fellowship Program for the engineering students under NRPUP project titled “Development Of Indigenous Renewable Energy Technologies for Sustainable Agriculture”.

Objectives

- Dissemination of knowledge about renewable energy best suited for the stakeholders (end-users, researchers, students, etc.).
- To develop small scale solar based technologies (solar distillation system and solar drone sprayer) for processing of different on-farm agricultural products.
- Capacity building of students, trainers, farmers and end users for selection and operation of efficient, economical and environment friendly renewable energy.
- Financial support of M.Sc. (Hons.)/Under-graduate students.

Duration & Outcome

The duration of this project is sixteen months. The following slot is available in this project:

- M.Sc./Undergraduate fellowship “Research Assistant” (23000 Rs. Per month)

Selection Criteria

- For research assistant, the preference will be given to the regular students of M.Sc./B.Sc. Agricultural Engineering having sound scientific writing skills. Furthermore, students having good knowledge of design and development of renewable energy projects will be preferred.

How to Apply

Fill the Application Form attached with this advertisement and submit it with all required documents till **29 August, 2025**. Please send the hard copy of all documents on the following address:

Dr. Arslan Afzal

Fellowship for M.Sc. (Hons)/Under-graduate Students Application Form

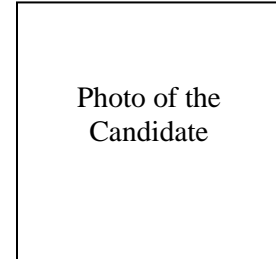

Name of Candidate: _____

Father's Name: _____

Date of Birth: _____

CNIC No: _____

Present Address: _____

Mobile: _____ Email: _____

For M.Sc. (Agricultural Engineering)

Subject (B.Sc. degree) : _____

University: _____

GPA/CGPA: _____

Skills: _____

For B.Sc. (Agricultural Engineering)

Final year Project title: _____

CGPA: _____

Skills: _____

Declaration

I solemnly declare that:

- All the information given in the application form is true to my knowledge and there is no change of facts.
- I understand that the institute may reject/cancel my participation in the fellowship on the basis of incorrect information, which I have provided and in case I do not qualify for the fellowship.
- I understand that the institute may obtain my official records from the educational institution from where I have completed my last degree.
- I also allow the institute to use my research (that I would produce during the program) anywhere and publish the same on its website or in print form.
- I would undertake to abide by the rules of the institute and would complete work as given in the advertisement.
