Dear Partner,

we would like to invite you to the online International Open Day which will be repeated in two different dates:

16 September at 15:30 CET

Meet: [meet.google.com/rtg-vggx-fic](https://meet.google.com/rtg-vggx-fic)

17 September at 11:00 CET

Meet: [meet.google.com/ftw-kmip-rhu](https://meet.google.com/ftw-kmip-rhu)

You can select the one you prefer.

The aim is to present our University to you and your mobility and prospective students.

We plan to cover the following topics:

- Our university and the town of Viterbo
- Scholarships, facilities, language courses and support for international students
- Presentation of the programs and courses we offer
- Testimonials: being an international student in Viterbo

There will be space for Q&A and interaction among participants.

We would be delighted if you could spread this information about your students who we will be pleased to welcome in our virtual room on the dates above indicated.

Note that prospective international students interested in carrying out a study experience in Italy should use the UniversItaly website:

<https://www.universitaly.it/index.php/>

As you know, we are a small University but this is not our weak point but on the contrary it has become one of our strengths.

We can take care of our students one by one and the relationship between professors and students is particularly favourable for this reason.

Moreover, the access to our facilities - libraries, laboratories, multimedial rooms - is not affected by high numbers of attendees.

Other useful information can be retrieved at this url:

The Delegate of the Rector for International Relations of University of Tuscia, Prof. Simone Severini, will participate in the meetings.

Do not hesitate to contact us for further queries.

Looking forward to meet you soon,

Dr. Carlo Contardo
