7. Additional Expenses

Additional expenses for students may vary considerably depending on individual needs and on prevailing conditions. An average budget for a student might include books and supplies, living expenses including food, entertainment and other miscellaneous expenses. It is estimated that these expenses may vary from Rs. 2500/- to Rs. 3500/- per month for an average living in the twin cities of Islamabad & Rawalpindi.

8. Fee Concession

- i. When two or more brothers/sisters are studying, the younger can be granted half tuition fee concession by the Dean concerned.
- ii. The concession is subject to good conduct, regular attendance and satisfactory performance in studies, and may be withdrawn if the recipient fails to fulfill these requirements.
- iii. University employees and their dependents studying in the university can be granted fee concession as per University rules/policy. Fee concession for University employees and their dependents w.e.f. Fall semester 2018:-
