

Jazz-NUST 5G Innovation Hackathon

Jazz-NUST 5G Innovation Lab – which is the only 5G research lab in the country – has announced opening of registrations for the “**5G Innovation Hackathon**” – a collaborative initiative between Jazz and National University of Sciences and Technology (NUST), in partnership with the National IT Board (NITB) and Code for Pakistan (CfP). The hackathon aims to leverage the power of 5G and other cutting-edge technologies to develop innovative solutions addressing critical challenges in Pakistan's healthcare, education, disaster management and climate change, agriculture, and industrial sectors.

Accordingly, all HEIs are requested for wider dissemination of the said information (through website/notice boards/social media) amongst students/faculty, for maximum participation, please.

Details of the competition are as follows:

Date	Competition spans over months of October & November
Registration Deadline	October 15, 2023
Grand Finale	End of November 2023
Venue of Competition	Jazz-NUST 5G Innovation Lab located at School of Interdisciplinary Engineering & Sciences (SINES), NUST, Sector H-12, Islamabad
Participation	Individual or team participation both are welcome
Logistics	Boarding/ Lodging will be provided by the event organizers (Jazz/ NUST) to the out-station shortlisted individuals / teams
Note	<ul style="list-style-type: none">• <u>No financial liability would incur on HEIs if their students participate in the competition</u>• <u>There is no participation fee</u>

For further details and REGISTRATION please visit the website:
